

The transformative art!

Victor Nunes

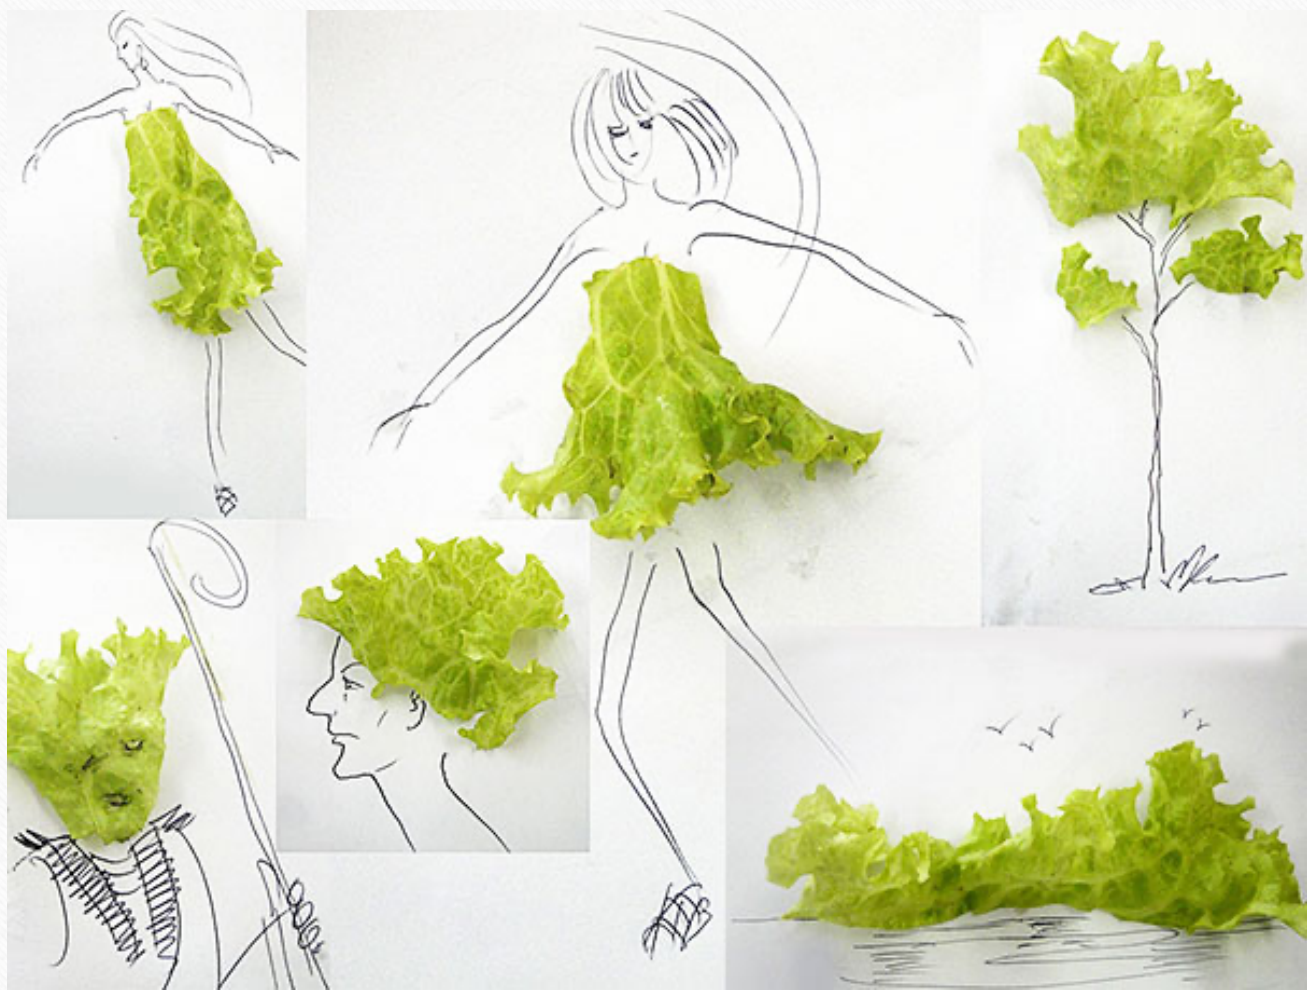

Artwork

Victor lives in Brazil and would not call himself an artist, but social media would! His work went viral a few years ago.

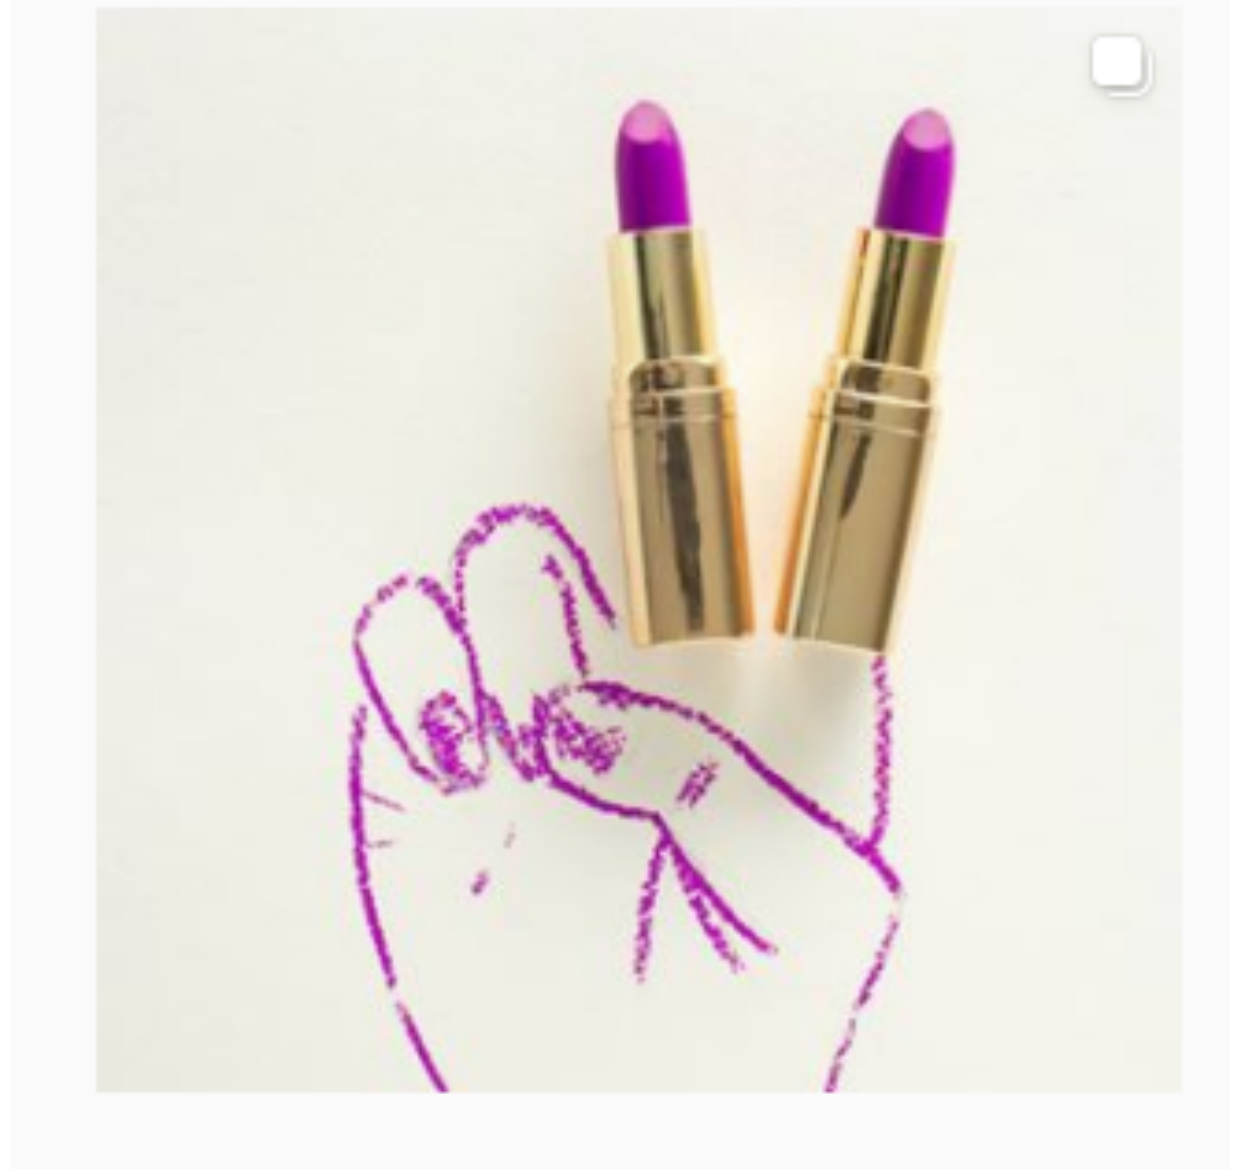

Javier Perez

Artwork

Javier is an illustrator and art director. He is based in Ecuador.

Why did I use the work transformative to describe Victor Nunes' and Javier Perez's work?

Get your sketchbook and pencil!

- Today you are going to find two small random objects in your house. Then you are going to see what you can turn it into! Be sure to take pictures of the sketches with the object over it to send to me!
